Bear Republic Brewing Company Celebrates Fifteen Year Anniversary

CLOVERDALE, CALIF. – As we say goodbye to cool weather and welcome in the summertime heat, Bear Republic continues to celebrate its Fifteenth year of innovative brewing. Originally operating on a small brewpub system in downtown Healdsburg, CA, Bear Republic has expanded with a manufacturing brewery in Cloverdale, CA and has climbed to 43rd largest brewery in the USA. To show appreciation to the community for Fifteen years of support, Bear Republic has events scheduled throughout this special anniversary year.

After a successful benefit concert featuring music by the Beatles Flashback and the popular Stand-Up for a Cause comedy benefit series, Bear Republic has raised over \$12,000 for local community programs. Bear Republic was awarded the best float at the 62nd Annual FFA Twilight parade in Healdsburg, CA. Employees enjoyed the festivities and handed out vouchers for free garlic fries to thank the locals for their continued support.

Most recently, the Norgrove family was honored by Assembly Member Wes Chesboro as the Bear Republic was named small business of the year in the First Assembly District at California Small Business Day in Sacramento. All four owners were there to accept the award as Chesboro was quoted “It was my pleasure to meet the Norgroves today and recognize Bear Republic’s high business ethics and their commitment to the community”.

Additional events are being featured monthly. Be sure to check the website at www.bearrepublic.com for upcoming event information

Bear Republic develops hand-crafted ales and lagers brewed and aged using the traditional "art" of the masters. All ingredients are hand selected for each batch. Bear Republic works hard to foster a sense of loyalty and tradition from eras gone by.
