

As the COVID-19 virus response changes in our home county, Bear Republic Brewing will continue to adapt with it. Starting today, our brewpub will be open for To-Go orders only. We will be offering a limited food and beer menu for you to enjoy at home. Please call 707.585.2722 and press 0 to place an order and we will have it waiting for you. We will be open from 12pm until 8pm Wednesday through Sunday until further notice.

Please know that we will miss hosting you inside our Rohnert Park brewpub. As a family owned, independent company it pains us to not have our entire staff working daily. We are doing our best to ensure our employees are supported as we adjust our business model to comply with instructions from Sonoma County.

We look forward to having our dining room, patio, and bar open for your enjoyment once again soon. We hope our beer and food can make this challenging time more enjoyable for you and yours.

Cheers!

The Norgrove's and the Bear Republic Family
